

# FLEISCHWIRTSCHAFT

Packaging special

**Book now**

**MEDIA DATA 2019**

## Contents

This Packaging special offers the German meat industry an overview of all the packaging suppliers with products relevant to the meat production process. As a special supplement to FLEISCHWIRTSCHAFT 9/2019, it will be additionally distributed at the FachPack and reaches decision-makers and packaging experts in the meat trade. Seize the opportunity to present yourself to this high-potential target group with a combination of informative and advertorial advertisements or a company profile.

## Categories

### 1. Machinery and accessories

From thermoforming, filling and closing machines to labelling equipment

### 2. Material

From film sheeting to meat trays

### 3. Secondary packaging materials

From clips to corrugated cardboard

### 4. Services

Logistics, developers, institutes and organisations

Each category will be augmented with editorial background information.
